

## TECHNICAL DATA

<b>MANUFACTURING PROCESS:</b>	Tufted 5/32"
<b>SURFACE COMPOSITION:</b>	Cut Pile , Multi-colour design
<b>PILE MATERIAL</b>	100% Solution Dyed Polypropylene ( Durawash)
<b>PILE WEIGHT:</b>	Approx. +/-900 g/m2
<b>PILE HEIGHT:</b>	+/- 6mm
<b>TOTAL WEIGHT:</b>	Approx +/-2.980 g/m2
<b>TOTAL HEIGHT:</b>	Approx. +/- 7m
<b>PRIMARY BACKING:</b>	100% Spun Bonded Colback™ Polyester 110g/m2
<b>SECONDARY BACKING</b>	Contour moulded nitrile rubber, Oil + abrasive resistant
<b>FLAMMABILITY:</b>	EN 13501 - ( 2002) Cf1 / S1
<b>COLOURFASTNESS TO LIGHT:</b>	Solution Dyed 8 year guarantee against colour loss/ fade
<b>COLOURFASTNESS TO SHAMPOO:</b>	Solution Dyed 8 year guarantee against colour loss/ fade
<b>SIZES:</b>	60X85, 85X120, 85X150, 120X180, 120X240. Specials on request
<b>BACKING OPTIONS</b>	Gripper, perforated backing and labelling available
<b>COLOURS</b>	Titanium Grey, Chocolate Brown, Ruby Red, Black/White, Celestial Blue
<b>WASHING TEMPERATURE</b>	max. 80 C
<b>DIMENSIONAL VARIATIONS</b>	+/- 2%
<b>AREAS OF USE</b>	Contract Medium Traffic

**\*\* APPLICATION:**

Hygiene Pro is a washable mat and symbolises the exceptionally high standards required by the janitorial/rental industry. Schmidt International incorporates a unique special contour moulding process into their manufacturing which ensures that our mats have two unique advantages. Firstly, since the mat is slightly curved, it demonstrates suction properties which enable it to stay in place better on most floor surfaces. Secondly, contour moulding means that the rubber naturally goes to the edges of the mat thus reinforcing the edges which typically endure the maximum everyday's stresses.

100% solution dyed Polypropylene is used, therefore offering the maximum durability. The fibres are also guaranteed for up to 18 years against colour fading, which is a vitally important factor when installations are undertaken, where the mat will be exposed to the elements and continual washing.

**\*\* LAYING INSTRUCTIONS**

LOOSE

Mats covering small areas and runners can be easily laid loose due to heavy anti-slip PVC backing

**\*\* SECONDARY BACKING:**

100% Nitrile Rubber, Contour Moulded™ Oil / Chemical Resistant

**\*\* MAINTENANCE:**

The **ELIMINATES COLOUR LOSS PROBLEMS!!**

1. Hygiene Pro carries a 18 year gurarantee against colour loss
2. Colour fast to light, washing and, if stains, it can be bleached using approved techniques.
3. Anti-Static and will retain at least 90% of its pile fibre through its life
4. Different colours of Hygiene Pro can be washed together without cross staining
5. Low temperature washing removes all normal soiling. However, it can be processed at 80c without any staining or colour loss. do not wash with space dyed high twist nylon or cotton mats.
